

INVERTO STREAMON WALL HUNG BOWL

[COLLECTION INVERTO](#)

PRODUCT CODE:

K671-001

Product description

The INVERTO wall hung bowl StreamOn is a fusion of modern design trends, a refined appearance and a first-class ceramic material. The bowl features the innovative StreamOn swirl-action flushing system which first reverses the flow of water and forces it into a vortex. This action easily removes all soiling for superior hygiene. Extreme efficiency aside, StreamOn is a very quiet flushing system. The concealed fixtures improve the overall aesthetic quality of the toilet bowl. The INVERTO toilet bowl is compatible with the SLIM WRAP duroplast seat which comes with One Button Easy-Off detachment and a soft-close action.

Technical data

Board included	No
Colour	White
Depth	51,5 cm
Flushing	2, 4l
Gross weight	25,73 kg
Height	36,5 cm
Mounting kit	Yes
Net weight	23,43 kg
Shape	Oval
Type of collar	Streamon
Warranty	10
Water outflow	Horizontal
Width	36 cm
